Independence

The Board acknowledges that the overall purpose of independence is to ensure that the director does not have a relationship which could, or could reasonably be perceived to, materially interfere with the director's ability to act in the best interests of the Company. In this context, the Board has adopted a policy for the assessment of independence of each director. The independence of each director is reviewed at least annually. Individual directors do not participate in assessing their own independence.

Further information is contained in the company's most recent Corporate Governance Statement.
